Wednesday Discussion

John 7:25-36

1. Tell us about a myth, legend, rumor that people or even you have believed.
2. What makes a myth/rumor believable? Why are we so ready to buy into these?
3. Verse 27 reveals a popular myth of the culture. How could they have corrected the belief? Why didn't they?
4. What do you think it takes to accept that Jesus is the Christ?
5. If we accept that Jesus is the CHRIST (based on a real and true understanding of that word) how will this affect our lives or the way we read the Bible, etc?
6. Why do you think they didn't arrest Jesus? Why did the officers return to their superiors without Jesus?
7. In verse 36, Jesus says they would seek him and not find him. Yet, officers will seek him later, and find him in the Garden of Gethsemane. What does Jesus mean?
8. Is there a way of seeking Jesus that isn't seeking Jesus?
9. How will you change the way you seek Jesus?
10. How can you make Jesus King and Lord in your life – more than he is already?
