Colossians 1:13-20

1. As a brain exercise – consider, name, explain various ways and meanings of how you could use the word “believe”.
2. Do the same with the word “liberal”?
3. What would you think someone meant if they said “speak your truth”?
4. How could know what they meant?
5. What is redemption?
6. Why is redemption in this context connected to forgiveness of sins?
7. What does it mean to “redeem yourself”? Why isn’t that possible with sin?
8. What is an “image”?
9. How is Jesus the image of an invisible God?
10. Is an image a separate thing from what it represents?
11. Why is it important to know who our redeemer is?
12. Is it enough just to know the name of our redeemer?
13. Why does Paul give such a full description in verses 15-20?
14. Have you spent time considering the worth of these truths? How would they change your life if you could grasp them at a deeper level?
