**Questions For Sunday's Night Discussion**

**March 17<sup>th</sup>, 2019**

1. **(All)** What do you want to be when you grow up?
2. **(Kids)** What does integrity mean?
3. **(All)** The vision statement for HC3 is to imitate Christ by humbly serving, loving, and sharing the gospel that all may be brought into a growing relationship with God. What part of that vision are we doing well? Where can we improve?
4. **(All)** Why is it important to be competent in the Word of God? What advantages does it provide us in our mission as Christians? What problems occur if we fail to increase our knowledge of Christ and the Word?
5. **(All)** Where do you seek wisdom? When have you sought all that you need?
6. **(Kids)** Read Acts 14: 8-20. Do you think it would have been better if Paul and Barnabas had let the crowd be without correcting them?
7. **(All)** Which is harder, holding to your values when you know you are going to be persecuted or if you do not know the outcome? How does it affect your decisions?
8. **(All)** Read Colossians 3:12. Why does Paul tell us to be compassionate? How can we relate to what he is saying?
9. **(Kids)** Why do you think we should remain humble in our walk with Christ? How can humility help others find Jesus?
10. **(All)** Christ calls us to see the plentiful harvest and sends us out with the great commission to go work it. What do we need to change in our lives and what we do at HC3 to see the harvest and go work it for the Lord?
