Sunday Evening Discussion

1 Timothy 2:1-8

1. Why do we stand in line at bus stops or retail counters?
2. Have you ever been anywhere, driven anywhere, or seen places without traffic rules? Explain and describe the scene. Without traffic laws (and respect for them) what are the guiding principles in these places?
3. Have you ever used an inside connection to help someone else?
4. If you knew your boss and the system better than a newer employee, have you or would you help them. Details?
5. Does God want for us to experience persecution?
6. What does it mean to be *godly* and *dignified* in every way?
7. If we were living this way in every way, why would that way of life be persecuted?
8. How do we handle those trials, persecutions, and transgressions of God's law?
9. What is the ultimate desire of God for those who kick against his truth?
10. Think about for whom and for what you will specifically pray and intercede going forward.
