1. Do you have seemingly random events/movies/songs from when you were young that pop into your head? Any examples you wish to share?
  2. Did you enjoy English class or foreign languages in school?
  3. Do you have experience with “subtle shifts” in scripture that dramatically change the message (things people have tried to tell you, things that you were taught but then later found were incorrect, etc.)?
  4. Read 1 Thess 4:1-2. Why does it include “just as you are doing”?
  5. Read 1Thess 4:7-8. It says “disregards not man but God.” Can this be difficult to remember? Why?
  6. Read John 12:49-50. Given the previous question, do these verses change your previous answer?
  7. What does “culture of relativism” mean to you? Is this something we should be worried about, either inside or outside the church?
  8. Read John 14:6-9. Why does Philip say this to Jesus in v8, given what Jesus just said in v7? Do we do that?
