

Sunday Evening Discussion

1 Timothy 3:14-16; 4:11-16

1. Is vision important for an business? What is vision? Who has the vision?
2. Read Proverbs 29:18 – What does vision have to do with restraint?
Taking a moment to briefly ponder that verse, expand upon/define the idea of vision.
3. Titus 1:5 – Which is more important for the church, having a dedicated evangelist/preacher or having elder/shepherds?
4. 1 Timothy 1:3 & Titus 1:5 – How do these verses relate to having a vision? Or do they?
5. 1 Timothy 3:14-15 give an explicit purpose for this letter. In this original context, to whom was this purpose directed?
6. 1 Timothy 4:6 & 11 – Is it a relevant or important point to notice that these are charges and commands given to a particular individual?
Does verse 14 give us any insight about this individual?
7. Does 1 Timothy 4:14 give you any help in answering question #3?
8. 1 Timothy 4:12 – (Timothy was likely at least 30 and culturally would have been considered as youthful until 40) How should this form our thinking when looking toward a dedicated evangelist/preacher?
9. Pray about this issue for the future and growth of our congregation?
